Faculty Highlight

Mrs. Amy Gardner, Math Department Chair

Mrs. Gardner has been teaching at Boaz High School for eight years. She is a student-centered teacher and is highly respected by her peers. As the math chair, Mrs. Gardner is the point person for the math department for our Leadership Team, lead teacher in our partnerships with SREB and BHS/BMS Vertical Teaming process, and an advocate for moving our math instruction from good to great. Mrs. Gardner is a family centered person too. You will find her most afternoons getting her steps in as she waits on her daughter, Taylor, to finish up athletic practices. Her son, Tyler, attends BMS and is a stand out math student. Her husband, Dennis, is a retired teacher and coach. We are thankful for you Mrs. Gardner, and we appreciate your service!
