Skipper's Log

Happy Monday Pirates!

We start the week with tales of victory over the weekend! Check out our social media for highlights and updates!

Department Highlight: English

There are many great things going on in the English Department! We are writing and working on our grammar, and we are reading and analyzing various texts and books! Talk to your kids about what they are reading in English. You never know what you may learn from them!

Faculty Highlight: Ms. Brandy Peralta

Ms. Peralta is new to Boaz this year. She teaches ninth and tenth grade English and tenth grade college prep English. She is working hard daily for our students and community! This week our tenth grade students are reading and learning about Leo Tolstoy. Our ninth grade students are reading Romeo and Juliet, Acts II-IV. In addition to reading, expect to see our students working on their writing skills weekly. This week, our tenth grade students will be working on writing a one page essay on Leo Tolstoy's stories. We are seeing great things from Ms. Peralta! We appreciate you dedication to our students and helping them achieve success in their endeavors!

Ms. Peralta, Boaz welcomes you!

Academics

In the coming weeks – Expect to hear students talking about tutoring during Pirate period. We are utilizing our latest test data from Scantron, Pre-ACT, and

college and career readiness indicators to move our students to classes that will assist them in growing this year in the areas of reading and math on Scantron as well as the ACT. All of our teachers and students are already putting in work daily with ACT prep and ACT Work Keys lesson starters and online prep.

Tutoring -Before and after school tutoring and Pirate period will be utilized in our system of processes to ensure we are continually moving toward our goals. Before and after school tutoring and Pirate period will feature math, reading, and ACT help. Students selected for tutoring will attend sessions each week (morning group from 6:30-7:30 and afternoon group from 3:00-4:00). Stay tuned to our website and social media for a detailed schedule and updates.

Athletics and field updates: October 1, 2021 will be our first football game on our new turf field. Standby for updates on our social media apps for the events leading up to kick off for this very special night!

Boaz High School and Boaz High School Athletics would like to extend a HUGE thank you to Dr. Haynie, all our Board Members, our Sponsors, Coach Patrick Williams, Mr. Caleb Pinyan, and Mr. Neal McCoy for their work in making this dream come true!

We would also like to send a very special thank you to our JSU Gamecock family for allowing us to use their facilities for our first two home games!

GO PIRATES!
