Happy Monday Me Hearties!

We start the week with a tales of victories over Albertville this weekend! We beat them in football and in volleyball! Our band also brought home many awards and a massive trophy from competition! Check out our social media for highlights and updates!

Department Highlight: Social Science/History

I have never seen a better team of social studies teachers than the group we have serving our students at BHS! Our department head, Mr. John Lowery, leads a crew of super smart and dedicated professionals that include: Mrs. Tiffany Rhoden, Mr. Ryan Gaskin, Mr. Justin Smith, and Mr. Steven Hudgins. I so very much enjoy witnessing the wealth of knowledge these folks bring to the classroom. It is also a unique pleasure to talk with them over lunch and hear their take on things going on in our world today! Keep up the awesome work!

Faculty Highlight: Mr. Steven Hudgins

Mr. Steven Hudgins, also known as "Coach" around the school, is Boaz High School's Teacher of the Year! Mr. Hudgins teaches history at BHS. He brings a love for history and technology to the students he serves. During his time at Boaz, Mr. Hudgins has led the Google Applications Cohort for our school system, served as head JV baseball coach, served as sponsor for our Fellowship of Christian Athletes, and is

currently our defensive coordinator for football. Mr. Hudgins cooks in his spare time. He loves competing in grilling/smoking cook offs. His latest win was for lollipopped/smoked chicken drums - YUM! The proceeds went to charity!

Thank you for your service, Mr. Hudgins!
