# BCSS Technology Department

Clear Browser History

Google Chrome on PC or Mac.

1. Click the "3 dots" menu on the right side of the address bar.
2. Choose "More tools", then "Clear browsing data".

BCSS Technology Department

Clear Browser History

3. In the window that opens, choose your time range (how far back to delete), check "Browsing history", "Cookies and other site data", and "Cached images and files". Then click "Clear data".

4. If clearing history does not correct your problem, you may need to repeat the process and choose a longer time range.
