## Skipper's Log

Welcome to our first full week together Me Hearties!

Our first few days of school were absolutely amazing! I want to thank everyone (students, faculty, staff, and parents) for making our first three days AWESOME!

### On the horizon:

**Where are we now?** Beginning a school year following almost a year and a half of virtual or blended instruction can be pretty daunting whatever your role. It's always good to know where we are before we begin. That being said, we will begin the year by testing our ninth and tenth grade students to see how they are performing in reading and in math. This will provide our teachers the tools they need to meet our students where they are and focus on growth. Scantron benchmark testing will take place this Wednesday and Thursday.

**Early Release:** Begins this week. Wednesday and Thursday will continue to be our early release days.

**Athletics:** Check out our athletic events calendar for updates.

**School Spirit Dress-up Days** begin this Friday with Wipeout the Cats. Students should wear their dress code appropriate summer gear, Hawaiian Shirts, lays, etc. Check with our cheerleaders for more details if needed.

**Black Army T-shirts:** Shirts will go on sale Wednesday for \$15. Order forms will be available in social studies classrooms. Get yours and join the Black Army as we hoist the black flag and bring the 6<sup>th</sup> man into play! ARRRR!

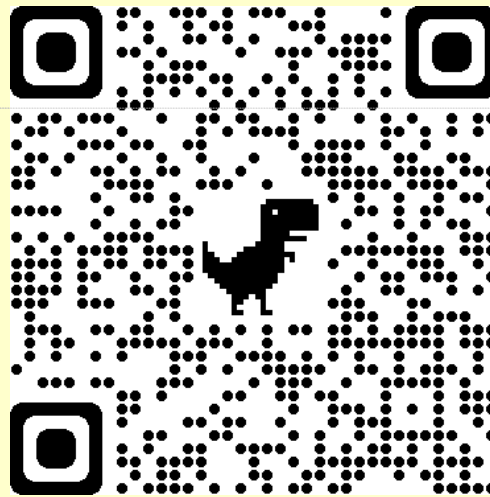

**GO PIRATES!**
