Skipper's Log

Greetings Pirates!

I hope everyone had an awesome weekend!

As we wrap up Summer 2021, I am excited and hopeful for the upcoming new school year! I was excited to see the massive turn out for registration last week. This week has been no different as we kicked off today with new teacher orientation in the PD lab. With tomorrow's ePD day, we are one day from kicking off our first day back as a faculty! Our faculty and staff have changed some, and we have great things in store for BHS students this year.

As we look toward a return to normal, our SGA met today to discuss Homecoming festivities and a Spring Lip Sync. Students, your SGA representatives are here for you and are your voice! Work together to make this year the best comeback year ever!

That being said, SGA is looking to boost student participation at sporting events this year and is focused on building an intense

sixth man – a rocking Student Section! There will be more to come from our reps as we get started with the new year.

As we continue to move forward the first days of school, please keep an eye on our social media for updates. One of the major updates affecting our student body is a staggered start the first two days of school. Wednesday, August 11th will be the start date for students whose last names begin with A-L. Thursday, August 12th will be the start date for students whose last names begin with M-Z. Friday, everyone will attend. Wednesday through Friday will all be seven period days.

Alternate/early release days will not begin until the week of August 16th.

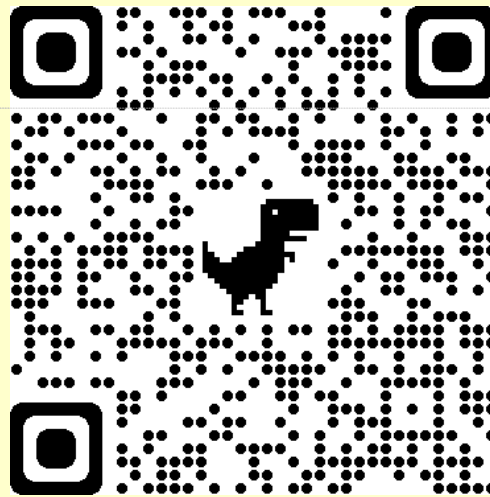

The week of August 16th will be a very busy week. We will roll out Scantron benchmark testing for grades 9-10. We will begin ACT prep for Juniors and begin working toward 100% college and career ready for all Seniors. Come ready to Get After It!

Stay tuned to our social media sites for updates! Registration dates and times for the upcoming school year will be coming soon!
